Getting Started

4 - 5 Months

Contact our bridal coordinator for a bridal consultation and a tour of our salon.

At that time you will schedule your wedding day hair and makeup, as well as your practice hair and makeup.

3 - 4 Weeks

Meet with your Aura stylist to perform a practice hair and makeup service to ensure your perfect bridal style. Confirm all of your wedding day appointments for you and your bridal party. Make a reservation to pamper yourself with a visit to our spa. (See spa services menu). This will help with all the pre-wedding stress.

You need to relax and enjoy!

1 - 2 Weeks

Get your last facial the week before the wedding; this will exfoliate the skin to ensure you look radiant. Have your waxing done several days before the wedding to give any irritation or redness time to diminish.

1 - 2 Days

Take a moment for yourself, relax and have a manicure and pedicure.

The wedding day

Come in with clean, dry hair and a button down shirt. Sit back, take a deep breath and put yourself in our hands.
